Vision

A world where all LGBTQIA+ people can feel safe, belong, and flourish.

Mission

LOVEboldly exists to create and develop spaces where LGBTQIA+ people can flourish in Christianity.

A Letter from Our Executive Director

Dear Potential Sponsors and Church Partners,

Over the last 18 months LOVEboldly has experienced significant change and redefinition. We implemented a comprehensive rebrand, including new mission and vision statements as well as new branding. We built on existing partnerships and developed new ones. We took a leadership role on issue-based advocacy and lifted up the work of our partners. We recommitted to Ohio and being the only Ohio faith-based organization working for the full affirmation of LGBTQIA+ people in the church and the world. We succeeded at becoming a Queer-led organization and entirely centered the Queer community in our work.

We are moving into a new period of growth and increased engagement for our organization. We're excited to offer the chance for community and corporate investment in our mission and ministry. Though a small organization, we offer access to a niche group: LGBTQIA+ and allied people of faith. Though Christianity and religion have unfortunately been sites of trauma for many Queer people, we are committed to changing that narrative. We believe that churches should be among the safest places for LGBTQIA+ people. Further, as followers of a radically inclusive, brown-skinned, refugee, and rabbi known as Jesus, we stand up to Christian nationalism and white supremacy in all their forms.

In this booklet, you will find information on our sponsorship opportunities and our church partnership program. We invite businesses, nonprofit organizations, and affirming churches to consider how they might support LOVEboldly as a sponsor for our Inviting, Discerning, Empowering 2023 Conference and/or our inaugural Gala.

I'm reminded time and again that LOVEboldly could never do this work without the faithful support of our community members and investors. I pray that we can soon welcome you into our community as a sponsor or church partner!

Faithfully,

Dr. Ben Huelskamp
Executive Director

Church Partnership Program

The LOVEboldly Church Partnership Program aims to create strong, collaborative relationships between churches, congregations, and other groups and LOVEboldly. Each congregation and LOVEboldly agree to provide support to each other consistent with their capacity and ability. The inherent goal of the program is to develop bonds based on trust, rather than on transactions.

LOVEboldly's Commitment to Partner Churches

- LOVEboldly will provide resources to partner churches.
- LOVEboldly will work with partner churches to create and customize trainings for the specific congregation or circumstances (may incur a fee).
- LOVEboldly will consult and coach with partner churches and their leadership teams as needed (may incur additional fees).
- Partner churches and their ministry leaders will be given priority for scheduling consultation processes and ongoing coaching.
- LOVEboldly will recognize partner churches on its website and in its digital and print resources depending on the sponsorship level a congregation chooses.

Church Partner's Commitment to LOVEboldly

- Support LOVEboldly as a mission partner with an investment at one of the levels on the next page.
- Promote LOVEboldly and its programming to the congregation via its website, social media, bulletins, and word-of-mouth.
- Place a link to LOVEboldly's website on the congregation's website.
- Make available at least one opportunity per year for a LOVEboldly representative to visit the congregation and table, discuss, or preach and promote LOVEboldly.
